# About Us

## Camp Grizzly

Since 1938, Camp Grizzly has been a hub of summer adventure to countless Scouts. Located on the Palouse River about 12 miles east of Potlatch, Idaho.

Referred to as “The Pride of the Palouse”, it is used year-round by Scouts, Schools, Churches, Families, the Forest Service, Military Branches and more. We have hosted Summer Camps, Youth Activities, Corporate Retreats, Family Reunions, Church Retreats, Weddings, and we’ve even been the Base Camp for smokejumpers and firefighters during wildfires.

In recent years the camp has been refurbished with an upgraded Dining hall containing a modern commercial kitchen, a new STEM Lodge, upgraded well pumps, and during the winter of 2021 we are in the process of installing an internet tower and WIFI throughout the camp.

We are thrilled to open our 440 acres to you this season and invite you to experience this beautiful, one-of-a-kind Scouting location this summer.

## Staff

Camp Grizzly is built on a proud tradition of collaboration between the units and the staff. Our goal is to provide your Scouts with an amazing experience they will never forget, and our staff will go above and beyond to ensure that happens.

We are thrilled to meet you and make this summer the best it can be for you and your Scouts!

## Management

Since 2019, John Smith has served as the Camp Grizzly Director. He has over 15 years of Scouting experience and serving youth is his life, whether at Camp Grizzly during the summer or his day job as a Middle School Teacher.

John is an Eagle Scout, avid geocacher, and author of the Lightning Creek book series.

Tami Hurst also returns as the Program Director, Tami is an Aquatics expert and summer camp veteran, with a passion for teaching youth. She brings over 20 years of experience from half a dozen different summer camps across the country along with her.

# 2021 Program & Schedule Changes

In 2020 Camp Grizzly merged with Camp Easton into the temporary “Camp Gotham Bay” due to the COVID-19 Pandemic. We are excited to return to Grizzly this year and bring back what we learned last year to present an awesome program in 2021.

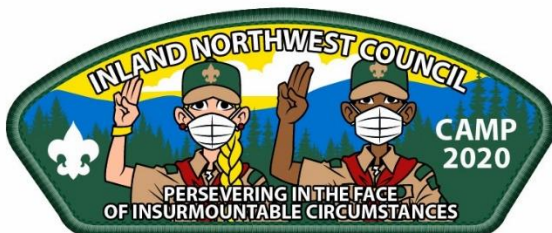

2020 and the COVID-19 Pandemic both presented new challenges and opportunities we never anticipated. Because of this, we tried some things we never would have otherwise, some of which worked great and some did not! But after all the smoke cleared, we ran a fun, safe, and unique Scouting program that most of our participants reviewed positively.

In 2020, we were one of few camps in the country to pioneer the new “Cohort” model and based on the Health Department recommendations we will again be using the Cohort model in 2021. This allows us to still offer camping programs while following regulations, as well as keep troops and patrols distanced and separated to prevent the spread of disease. There will be some alterations from last year, but the primary structure will be very similar.

Check out some of the main changes and updates you will see this year!

Our “Camp Gotham Bay” T-Shirt and “COVID CSP” from the Historic 2020 Season and the Merging of Grizzly and Easton

# 2021 Updates & Changes

**Cohort Model** – Based on the advice of the Health Department, this model will return in 2021, although some adjustments will be made after lessons learned last year.

**Troop Meals** – As part of the Cohort model, most meals will be prepared in the kitchen, and delivered to the sites by our very own “ATV-Prime” Service! Some meals will need to be prepared in the campsite

## Pre-Camp Swim

**Tests** – Allowing Swim Tests before camp smoothed the check-in process considerably and will continue to be allowed and encouraged.

## Hybrid Self-Paced

**Program** – In 2020, we went to a completely self-paced program supported by staff as opposed to the scheduled programs in the past. While this worked for many classes, we found it problematic with others. In 2021, we are working on a hybrid of the two systems to minimize exposure risk while maximizing class time and resources.

# Activity Schedules

There will be three types of activities and classes offered in 2021, Self-paced, Hybrid and Open Program.

## Self-Paced:

These classes/activities are delivered in the campsite with all materials and equipment provided in pre-assembled kits. As the name suggests, the Scout always sets their own pace but camp staff familiar with each badge (or sometimes your own adult leaders) stand ready in the site to assist. Many badges fall in this category and this allows Scouts to complete as many or as few merit badges in camp as they are willing to put in the effort for.

## Hybrid:

These classes/activities have some self-paced components and require hands-on instruction that cannot be delivered in the campsites, or require staff much more formally trained in specific skills to aid in the learning process. These areas include Shooting Sports, Aquatics, STEM and Trades Craft. Each campsite will move on a scheduled rotation to the areas where these badges are offered to have designated time with the trained staff supervising them. For those Scouts who are not working on badges in that area, they can either participate in open activities like free-shooting or swimming, or they can stay at the campsite and work on other projects.

## Open Programs:

These activities are things that each troop or even individual Scouts/leaders can do at any time, so long as precautions are taken such as social distancing and wearing masks. These include using hiking trails, playing horseshoes, visiting the trading post and more.

## IMPORTANT CHANGE!

### Aquatics Classes in 2021

In 2020, the aquatics programs were a challenge within the hybrid system, as they require very specialized staff doing hands on instruction to teach effectively. Spreading these staff across too many different classes simultaneously during waterfront times caused lower completion rates and frustration for both staff and participants.

In 2021, each Scout should select no more than 1 merit badge or activity in aquatics that they want to complete while they are at their waterfront rotation.

These will not be registered online like other classes but will instead be selected during the check-in process at camp. Each campsite will need to narrow down to no more than 3 classes or activities that their Scouts will focus on during their waterfront rotations. This will allow the staff to focus on quality instruction to no more than 3 classes simultaneously at any given time.

# Rotation for Hybrid Classes

Each troop will get at least 2 opportunities during their week to visit each hybrid area in camp. Once in the morning for 1 ½ hours, and once in the afternoon for 2 hours, for a total of 3 ½ hours of hands on instruction time with the staff in those areas during their week.

The areas are:

- Shooting Sports – Archery, Rifle, Shotgun, Winchester Marksmanship Program, Free Shoot
- Aquatics – Swimming, Canoeing, Rowing, Kayaking, Rank Requirements, Free Swim\*, Free Boating\*
- STEM Lodge – Communication, Electricity, Forestry, Nature, Radio, Space Exploration
- Trades Craft – Metalwork, Foundry, Welding, Plumbing
- Parade Grounds – Horseshoes, Volleyball, Field Sports

\*Please note that when selecting the activities for your group to focus on in aquatics, free swim and free boating do not count towards the total, they are always available so long as lifeguards are on duty.

## Example of what Rotations will Look like\*\*

SAMPLE ROTATION SCHEDULE						
	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	
<b>SHOOTING</b>	Chapel Hill	Dirty Arm	Fenceline	U/L Lakeside	Last Outpost	8:45-10:15

# Class Catalog

Image	Class Name	Cost	Description/Prerequisites	Location	Class Type
	Archery	\$20	Fee includes Archery Maintenance Fee and Arrow Kit	Shooting Sports	Hybrid
	Action Archery	Free	Activity, not a merit badge	Shooting Sports	Hybrid
	Art	Free	No Prerequisites	Campsite w/ Staff Support	Self-Paced
	Animation	Free	No Prerequisites	STEM Lodge	Hybrid
	Basketry	Up to \$20 in Trading Post	No Prerequisites Requires purchase of kit in trading post	Campsite w/ Staff Support	Self-Paced
	Camping	Free	Please Complete Requirements 4a, 4b, 5e, 7a, 7b, 8c, 8d, 9a, 9b, 9c prior to camp in order to finish the Merit Badge at camp.	Campsite w/ Staff Support	Self-Paced
	Canoeing	Free	Must pass BSA Swim Test before starting badge*	Aquatics	Hybrid
	Chess	Free	No Prerequisites Great for First Year Scouts	Campsite w/ Staff Support	Self-Paced
	Citizenship in the World	Free	No Prerequisites	Campsite w/ Staff Support	Self-Paced
	Communication	Free	No Prerequisites	STEM Lodge	Hybrid
	Cooking	Free	May not be able to finish at camp unless you complete requirements 4c-e, 5d-f, and 6d-e before arriving.	Campsite w/ Staff Support	Self-Paced
	Electricity	Free	No Prerequisites	STEM Lodge	Hybrid
	Emergency Preparedness	Free	Must have First Aid Merit before starting Please Complete Requirements 2c, 8b, 9a, 9b, 9c before arriving at camp	Campsite w/ Staff Support	Self-Paced
	Environmental Science	Free	Time intensive	Campsite w/ Staff Support	Self-Paced
	Finger Printing	Free	Great for first year Scouts	Campsite w/ Staff Support	Self-Paced
	First Aid	Free	Requires either bringing First Aid Kit to camp, or building/purchasing one from the trading post	Campsite w/ Staff Support	Self-paced
	Forestry	Free	No Prerequisites	STEM Lodge	Hybrid
	Foundry	\$30	Activity, Not a merit badge Can be used to complete requirement 5c of Metalwork instead of doing 5d	Trades Craft	Hybrid

Image	Class Name	Cost	Description/Prerequisites	Program Area	Class Sessions Offered
	Indian Lore	Up to \$20 in Trading Post	Great for first year Scouts Requires purchase of kit in trading post	Campsite w/ Staff Support	Self-Paced
	Introduction to Outdoor Leadership Skills	Free	ADULT ONLY CLASS Complete the second part of required Scoutmaster and Assistant Scoutmaster training while you visit us this summer!	Campsite w/ Staff Support	Self-Paced
	Kayaking	Free	Must pass BSA Swim Test before starting badge*	Aquatics	Hybrid
	Leatherwork	Up to \$20 in Trading Post	Requires kit purchase in trading post	Campsite w/ Staff Support	Self-Paced
	Off-Grid Adventure	\$70	Wilderness Survival, Pioneering & First Aid Merit Badge are all required. Establish your own off-grid campsite at Camp Grizzly during your week and build your own shelter. Cost includes your own hatchet, knife making kit, sheath and flint and steel set.	Near your campsite (in the woods) w/ Staff Support	Self-Paced
	Metalwork	\$25	No prerequisites Difficult for smaller or younger Scouts to swing hammer repeatedly or endure heat	Trades Craft	Hybrid
	Mining in Society	Free	No Prerequisites	Campsite w/ Staff Support	Self-Paced
	Nature	Free	No Prerequisites	STEM Lodge	Hybrid
	NRA/Winchester Marksmanship – Rifle	\$50.00	Must have Rifle Shooting Merit Badge or be over 18 Learn and practice advanced target shooting skills in order to advance in the NRA/Winchester Marksmanship Program, cost includes up to 800 rounds of ammunition and all targets.	Shooting Sports	Hybrid
	NRA/Winchester Marksmanship – Shotgun	\$100.00	Must have Shotgun Shooting Merit Badge or be over 18 Learn and practice advanced trap and skeet shooting skills in order to advance in the NRA/Winchester Marksmanship Program, cost includes up to 250 shells and clays.	Shooting Sports	Hybrid
	Orienteering	Free	No Prerequisites	Campsite w/ Staff Support	Self-Paced
	Pioneering	Free	No Prerequisite. Materials for model will be provided in class, Scouts must purchase their own model materials if they wish to keep it.	Campsite w/ Staff Support	Self-Paced
	Plumbing	\$15	No Prerequisites Cost includes all materials used including pipes and solder	Trades Craft	Hybrid
	Radio	Free	No Prerequisites	STEM Lodge	Hybrid
	Rifle Shooting	\$20	Great for First Year Scouts Cost includes Rifle Maintenance fee and up to 150 shots and targets.	Shooting Sports	Hybrid
	Rowing	Free	Must pass BSA Swim Test before starting badge*	Aquatics	Hybrid

Image	Class Name	Cost	Description/Prerequisites	Program Area	Class Sessions Offered
	Search & Rescue	Free	No Prerequisites	Campsite w/ Staff Support	Self-Paced
	Shotgun Shooting	\$30	Great for all Scouts, cost includes Shotgun Maintenance Fee and 75 shots and clays. May be difficult for smaller Scouts	Shooting Sports	Hybrid
	Signs, Signals and Codes	Free	No Prerequisites	Campsite w/ Staff Support	Self-Paced
	Space Exploration	\$15	No Prerequisites Cost includes Rocket	STEM Lodge	Hybrid
	Swimming	Free	Must pass BSA Swim Test before starting badge*	Aquatics	Hybrid
 	The Great Adult Leader Training Course	Free	Adults Only Required to bring own "Arm Floaties" This training will prepare you to be an amazing leader in your Troop! Become a Nap Safely Instructor! Earn your S'more Cooking and Hot Beverage Drinking Badges! And More!	Campsite w/ Staff Support	Self-Paced
	Trail to First Class	Free	No Prerequisites	Campsite w/ Staff Support	Self-Paced
	Welding	\$60	No Prerequisites Recommended for older Scouts, equipment can be heavy and smaller Scouts have problems with the gloves & helmets	Trades Craft	Hybrid
	Wilderness Survival	Free	Recommended for Scouts who are 2 <sup>nd</sup> class or higher in rank. It is required to participate in a survival campout on Thursday Evening	Campsite w/ Staff Support	Self-Paced
	Woodcarving	Up to \$20 in Trading Post	Totin-Chip required, can be earned in camp	Campsite w/ Staff Support	Self-Paced

\*All aquatics merit badges (see requirement #2 on each badge) and achievements specify that a Scout must complete the BSA Swim Test before doing any other requirements. If a Scout cannot complete either the "beginner" or "swimmer" swim test (See guide to safe Scouting) by the end of the first day of classes their schedule may be adjusted, and they may be moved to other classes outside of aquatics

## Age/Size Appropriate Classes

The Guide to Advancement states that “No council, committee, district, unit, or individual has the authority to add to, or subtract from, advancement requirements.” (see Guide to Advancement p. 2) With that in mind, Camp Grizzly does not impose any age restrictions on our merit badge classes not already included in the badge itself.

We do; however, make note that younger, smaller, or less experienced Scouts may have difficulties with certain classes and activities. Such as holding up a shotgun for long periods of time, using the large gloves or helmets in Welding, or attempting Wilderness Survival before completing the knot and fire-building requirements leading up to Second Class.

While not required, we urge you to make note of these suggestions as you plan your visit to Camp Grizzly and create your daily schedule.

**Thanks to our Donors  
for Providing Correct  
Equipment!**

Thanks to our friends at the NRA and many other donors we can have correctly sized equipment at our ranges, waterfront and more to best serve all our Scouts!

# Camp Wide Events

Most years, camp-wide events involving all the troops in camp are common; however, in 2021 while using the Cohort model, these will be somewhat limited, although we will do our best to ensure as many as possible are able to happen.

## Vespers

(Monday Evening)

Monday evening after our campfire program, we hold a short, non-denominational worship service in the parade field area. All Scouts and leaders are invited to attend for an inspirational experience (socially distanced) in the Palouse river area.

## Campfire Programs

(Monday Evenings)

We are currently working on a method for delivering a campfire program camp wide on Mondays while still socially distancing troops. This requires some technical modifications such as a sound system and some other logistics we are still working out. We hope to be able to offer this on Mondays to start off the week, and then encourage each troop to do their own in their sites on Fridays.

## Polar Bear Swim

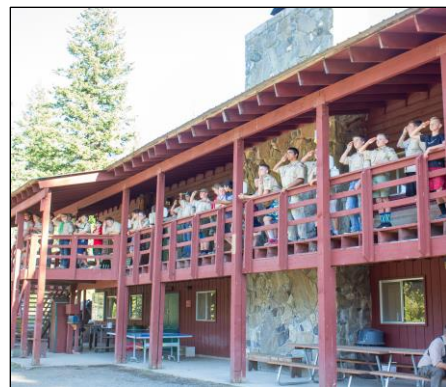

(Monday through Friday Mornings)

Wake up bright and early and come down to the waterfront at 6:30 am to take a short swim in the brisk morning water! Scouts and leaders who participate will receive a Polar Bear Swim patch to take home with them.

## Flag Ceremonies

(Evenings after dinner)

Each troop will conduct their own flag ceremony at their campsite each morning. In the evening, there will be a camp-wide ceremony for the whole camp conducted by the staff in the Parade Field. Each troop will have designated locations to stand which will be socially distanced and allow us to be together while still being safe.

## Campfire Skit and Song Tips

Here are some things to think of as your Scouts prepare for their campfire:

- Keep it simple
- Keep it short (no more than 5 minutes)
- No jokes that insult or make fun of others
- Keep it Scouting appropriate
  - Practice ahead of time
  - Speak up and face the audience

## Scoutmaster Dinner

(Thursday Evening)

In honor of those who volunteer and sacrifice so much for our youth in Scouting, every week we hold a special dinner just for the leaders who take their time to be with us in camp. Scoutmasters and other unit leaders get to have a specially prepared steak dinner and spend an evening with the camp management team.

## Family Night

(Friday Evening)

Family members are invited to come join us Friday evening for dinner (or during any other evening programs but especially Friday night) and the closing campfires. Guests need to check in at the business office when they arrive in camp and undergo temperature and symptom screening.

Meal tickets for those who plan on joining the Scouts for dinner can be purchased at the trading post after arriving in camp.

## Movie Night

(Wednesday Evening)

Every Wednesday night the staff enjoy a movie on the main parade grounds. Troops are welcome to join as an alternative option to hosting a campfire in their campsite.

## Honor Trail

Honor Trail is a time-honored tradition at Camp Grizzly. This takes place on Tuesday night, and is an opportunity for Scouts to enjoy personal reflection time, as well as participate in a flag retirement ceremony.

Troops are led by Grizzly Staff on a short hike. At certain points on the Honor Trail, Scouts will learn about different aspects of Scouting, and the history of this our country. The event is an opportunity for Scouts and leaders to reflect on what it means, "To do my duty to God and my country."

## Laird Park

Take a hike into Laird Park down the James E. Dewey Trail on Tuesdays, Wednesdays, and Thursdays for a jump off the dam into the swimming area, (pictured right) and handcrafted picnic lunches. A guaranteed good time!

Senior Patrol Leaders should sign up with the Program Director as soon as they are on campus.

## Camp Wide Event Participation

All participation in camp wide events is voluntary. We encourage participation by both Scouts and leaders in as many of these events as possible, however it is not required.

# Patrol Leader Responsibilities

We believe that Patrol Leaders and Senior Patrol Leaders should lead their Scouts as much as possible. We offer several opportunities in camp for youth leaders to organize and lead their Scouts. The cohort model lends itself very well to a patrol centered camping experience and we encourage every unit to take full advantage of it.

Every morning after breakfast there will be a short meeting for Scoutmasters and Patrol Leaders with a member of the camp management to make sure that troops are aware of all the activities going on in camp and see if any issues or needs need to be addressed.

During the Monday Senior Patrol Leader's meeting (Patrol Leaders also welcome) youth leaders will have an opportunity to sign up for the various tasks below.

- Ranger Service Projects
- Evening Flag Ceremony Responsibilities
- Restroom Cleaning & Restocking

## The Order of the Arrow

The Order of the Arrow (OA) recognizes Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend Scouting to America's youth.

Each Wednesday at Camp Grizzly is Order of the Arrow Day. Any Scouts or Scouters involved with the OA are asked to wear their OA sash. Throughout the summer, there may be opportunities unique to adult and youth members of the Order of the Arrow.

### "Go Ask Your SPL"

At Camp Grizzly we believe that youth should lead youth as much as possible. We encourage Patrol Leaders and Senior Patrol Leaders to take an active role in the planning of their troop activities while in camp.

We also encourage adults to drive this in camp as much as is reasonable by sending Scouts to their youth leadership when issues arise. Simply put, learn to say:

*"Go Ask Your SPL" Shirts are available in the Camp Grizzly Trading Post for those Adults who REALLY want to encourage youth leadership!*

# Special Activities & Awards

Outside of classes and trainings there are additional activities at camp for both Scouts and Leaders as well as special awards for both individuals and patrols. These activities fall outside of scheduled classes and need to be done during open program time to be completed.

## Silver Paw Award (NEW!)

The Silver Paw award encourages adult participation in camp by encouraging adults to be involved in all aspects of camp programs.

## Golden Paw Award (NEW!)

The Golden Paw award encourages patrol participation in camp and offers additional opportunities for developing patrol leadership through the patrol method.

## Honor Patrol

Every week the commissioner staff will select a patrol who has gone above and beyond expectations to participate in camp, assist others and live the values of the Scout law.

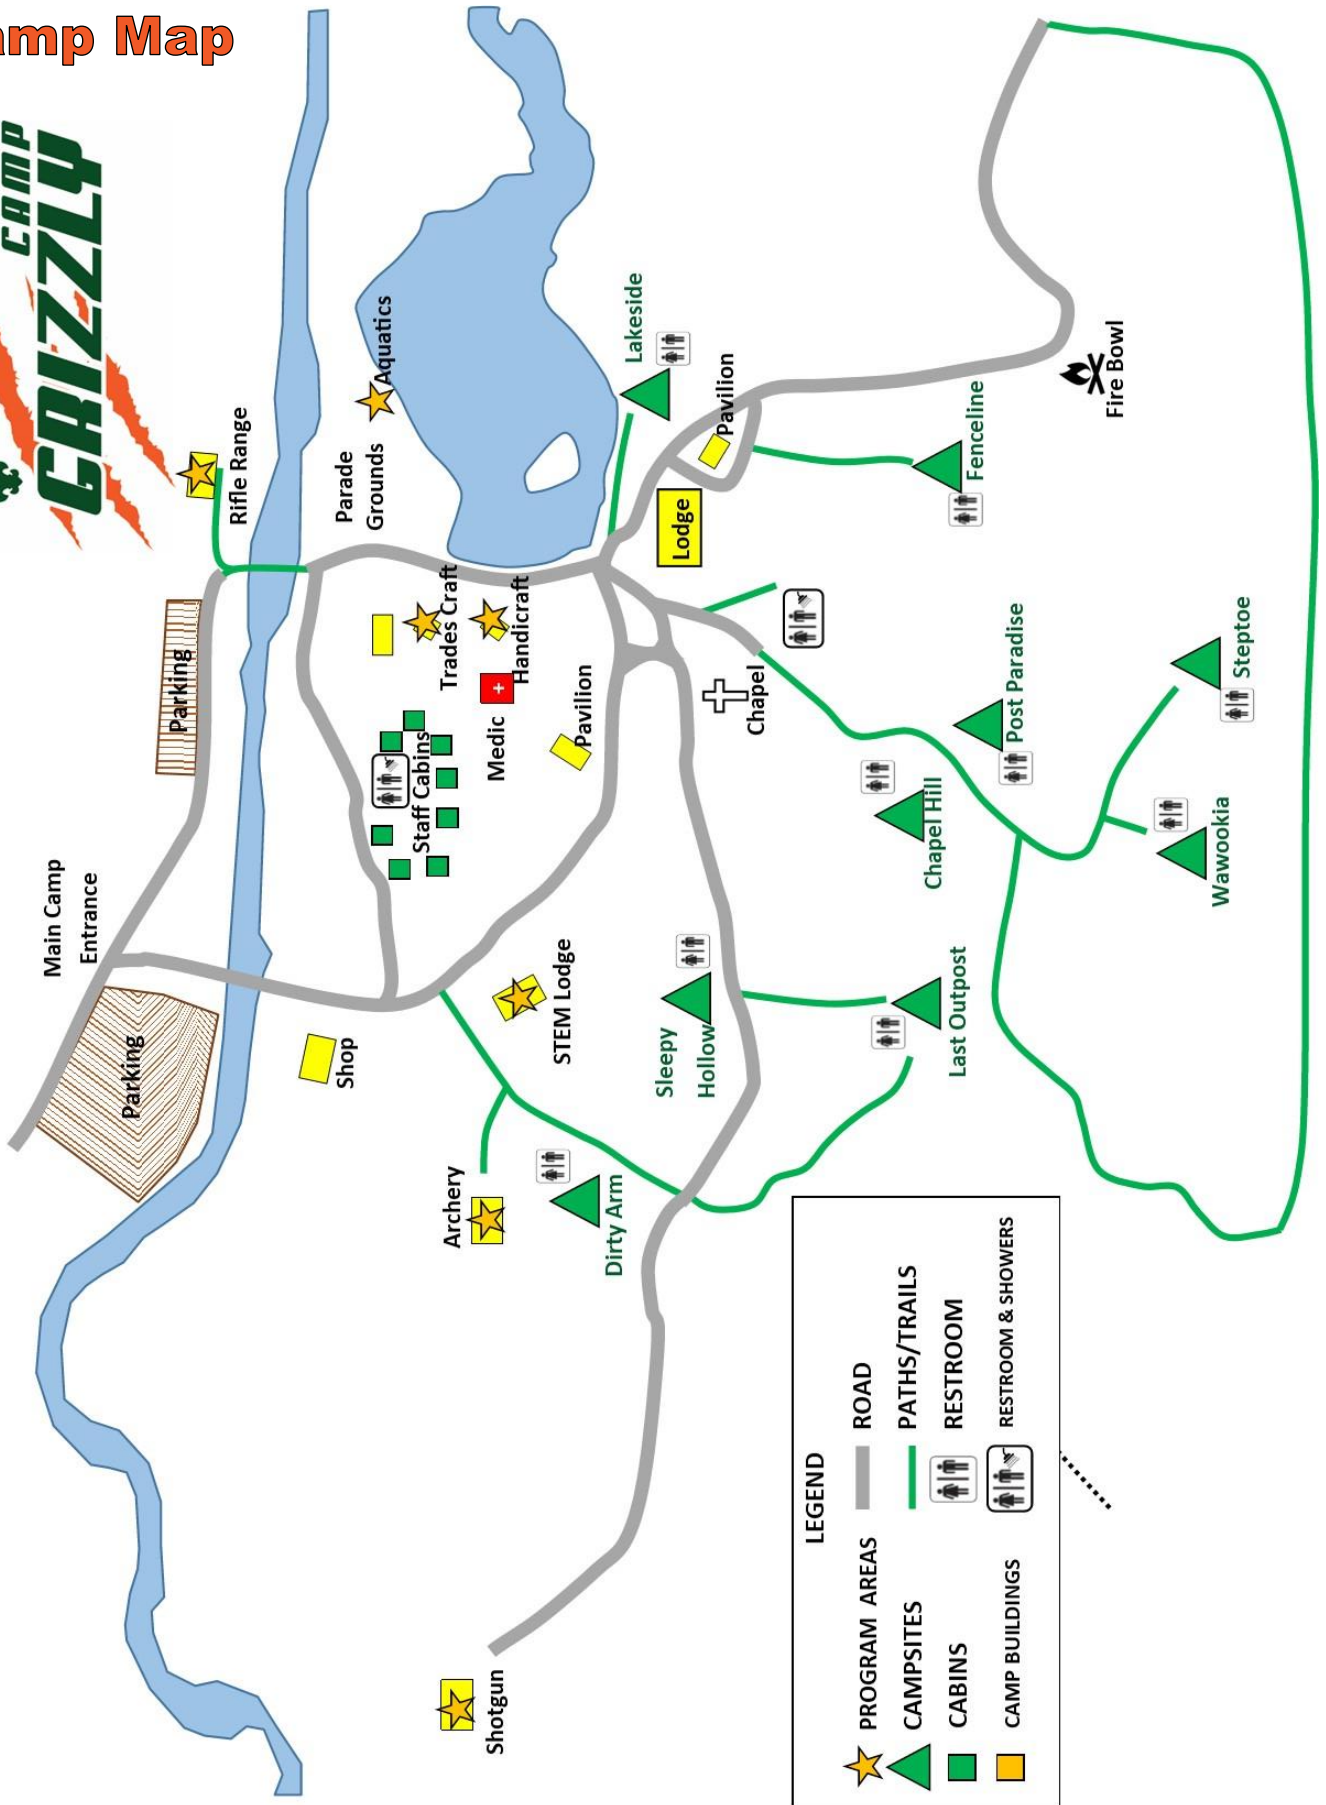

## Have Fun at Grizzly Your Way!

The schedule at camp offers a variety of both scheduled and open program time as well as free time. Troops, Scouts, and leaders are welcome to be as busy as they would like or take the extra time to just relax and enjoy being in the great outdoors!
